

Spec Sheet - Beam Kit

Description

- 8" Swage feature allows tables to connect together.
- 4" Diameter structural tube and swage increase strength.
- Swage Tube is more reliable and repeatable than standard splice and set screw connections.
- Less components decrease assembly time.
- Faster installation reduces labor costs.
- Material coated to ASTM
- A123 for increased corrosion resistance, no exposed edges.

QTY.	PART DESCRIPTION	PART NUMBER
